Hey sir, I was able to change the inspection because my supervisor did not see it yet. I put it for Saturday 8/6/22 at 4pm since we know they are there at that time. This is the Inspection letter that we send, it is just an effort to gain a voluntary inspection. I am sending one to the business as well as the actual property owner. I will follow-up with you next week once I confirm my supervisor signed and mailed it to verify the inspection. Thank you again sir for you and your teams help with this.
